Explanatory Notes

A. Approval of Options and Performance Rights

Items 1 & 2 – Ratification and Approval of Issue of Options and Performance Rights

ASX Listing Rules 7.1 and 7.4

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue during any 12-month period any equity securities, or other securities with rights of conversion to equity (such as options), if the number of those securities exceeds 15% of the number of securities in the same class on issue at the commencement of that 12-month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in a general meeting ratifies a previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

The Company is seeking ratification by Shareholders under Items 1 & 2, pursuant to ASX Listing Rule 7.4, in order to reinstate the Company's capacity to issue up to 15% of its issued capital, if required, in the next 12 months without Shareholder approval. If the resolutions under Items 1 & 2 are approved, the Company's placement capacity under ASX Listing Rule 7.1 will be refreshed from the date of the Meeting. If the resolutions in Items 1 & 2 are not approved, the Company's placement capacity will not be refreshed, and any further issues of securities in excess of the Company's remaining issuing capacity under Listing Rule 7.1 will require Shareholder approval.

The Directors unanimously recommend that Shareholders vote in favour of the resolution in Item 2.

Items 3 & 4 – Approval of Issue of Options to Directors

ASX Listing Rule 10.11.1

ASX Listing Rule 10.11.1 requires that an entity must not issue or agree to issue equity securities to a related party without the approval of the holders of its ordinary securities.

- (a) the Options are to be issued to Adcock and Clare Nantes;

- (i) Voting exclusion statements are included below.

Item 3 Issue of Options to Adcock

Item 3 seeks Shareholder approval for the issue of 1,450,000 Options to Adcock, as a related party of the Company, under ASX Listing Rule 10.11.1.

Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must, pursuant to section 208 of the Corporations Act:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Note and Options may constitute giving a financial benefit and Adcock is a related party of the Company by virtue of being controlled by a director.

The Directors (other than Mr Adcock who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Note and the Options because the Note and attaching Options were negotiated on an arm's length basis and therefore fall within the exception contained in section 210 of the Corporations Act.

Voting exclusion statement

The Company will disregard any votes cast in favour of the Resolution by or on behalf of:

- Adcock and any other person who will obtain a material benefit as a result of the issue of the Options to Adcock (except a benefit solely by reason of being a holder of ordinary securities in the Company); or
- an associate of that person.

However, the Company need not disregard a vote if it is cast by:

- a person as a proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the Chairman as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chairman to vote on the resolution as the Chairman decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - (ii) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Directors' Recommendation

The Directors (with Brook Adcock abstaining) unanimously recommend that Shareholders vote in favour of the resolution in Item 3.

Item 4 – Issue of Options to Clare Nantes

Item 4 seeks Shareholder approval for the issue of 100,000 Options to Clare Nantes, as a related party of the Company, under ASX Listing Rule 10.11.1.

Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must, pursuant to section 208 of the Corporations Act:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Notes and Options may constitute giving a financial benefit and Clare Nantes is a related party of the Company by virtue of being the spouse of a director.

The Directors (other than Mr Nantes who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Note and the Options because the Note and attaching Options were negotiated on an arm's length basis and therefore fall within the exception contained in section 210 of the Corporations Act.

Voting exclusion statement

The Company will disregard any votes cast in favour of the Resolution by or on behalf of:

- Clare Nantes and any other person who will obtain a material benefit as a result of the issue of the Options to Clare Nantes (except a benefit solely by reason of being a holder of ordinary securities in the Company);
or

- an associate of that person.

However, the Company need not disregard a vote if it is cast by:

- a person as a proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the Chairman as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chairman to vote on the resolution as the Chairman decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - (ii) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Directors' Recommendation

The Directors (with John Nantes abstaining) unanimously recommend that Shareholders vote in favour of the resolution in Item 4.

B. Approval of Placement Securities

Items 5 & 6 - Approval and Ratification of issue of Placement Securities

General

On 15 June 2021, the Company announced that it had received commitments to raise \$14 million via a placement of 51,851,852 new placement shares at an issue price of \$0.27 per share (**Shares**) to professional and sophisticated

investors or to other persons to whom disclosure is not required under Chapter 6D of the Corporations Act, subject in part to receipt of Shareholder approval (**Placement**).

The Placement Securities were to be issued in two tranches as follows:

- (a) **Tranche 1** – Pursuant to ASX Listing Rule 7.1 and 7.1A, 22,109,875 fully paid ordinary Shares were issued at \$0.27 per Share on 21 June 2021 (**Tranche 1 Securities**); and
- (b) **Tranche 2** – Under ASX Listing Rule 7.1, approval is sought from the Meeting for the issue of 29,741,977 fully paid ordinary Shares at \$0.27 per Shares (**Tranche 2 Securities and Director Securities**).

Items 5 & 6 relate to the ratification and approval of the Tranche 1 Securities and Tranche 2 Securities. Items 7, 8 and 9 relate to the specific approval of the issue of Director Securities to associates of the Company's directors, as part of Tranche 2 of the Placement

ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue during any 12-month period any equity securities, or other securities with rights to conversion to equity (such as an option), if the number of those securities exceeds 15% of the number of securities in the same class on issue at the commencement of that 12-month period.

ASX Listing Rule 7.1A

At its Annual General Meeting held on 4 December 2020 (**AGM**), the Company obtained Shareholder approval under ASX Listing Rule 7.1A to have the additional capacity to issue Securities equivalent to 10% of the securities in the same class on issue at the commencement of the relevant 12-month period preceding any issue, for the period ending on the earliest of:

- a. the date that is 12 months after the date of the AGM;
- b. the time and date of the Company's next annual general meeting; or
- c. the time and date of the approval by Shareholders of a transaction under listing Rule 11.1.2 or 11.2.

ASX Listing Rule 7.4

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a Company in general meeting ratifies a previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

Ratification by the Shareholders of the Company is now sought pursuant to ASX Listing Rule 7.4, for Item 5, in order to reinstate the Company's capacity to issue up to 15% of its issued capital, and the additional capacity to issue up to 10% of its issued capital, if required, in the next 12 months without Shareholder approval.

If Item 5 is approved, the Company's placement capacity under ASX Listing Rules 7.1 and 7.1A will be refreshed from the date of this Meeting. If Item 5 is not approved, the Company's placement capacity will not be refreshed, and any further issues of Securities in excess of the Company's remaining issuing capacity under Listing Rules 7.1 and 7.1A will require Shareholder approval.

If Item 6 is approved, the Company will issue the Tranche 2 Securities shortly after the Meeting and in any event no later than three months after the Meeting, to professional and sophisticated investors or to other persons to whom disclosure is not required under Chapter 6D of the Corporations Act, who are clients of Blue Ocean Equities. None of these persons, other than the directors subscribing for the Director Securities, which are dealt with below, are related parties of the Company.

If Item 6 is not passed, the directors may nevertheless proceed to issue a portion of the Tranche 2 Securities out of the available issuing capacity under listing Rules 7.1 and 7.1A. If the available capacity is insufficient to allow for the issue of the full number of Tranche 2 Securities, the issue will be scaled back according to the available

capacity, with the result that the funds raised by the Company will be reduced, and further fundraising will need to be undertaken in due course to meet ongoing working capital requirements.

The effect of Shareholders approving Items 5 and 6 is that the Company will have the flexibility to issue further equity securities up to the 15% and additional 10% capacity limits, without obtaining prior Shareholder approval.

Item 5 – Ratification and approval of the issue of Shares under Tranche 1 of the Placement

Item 5 seeks Shareholder approval under ASX Listing rule 7.4 for the ratification of the prior issue and allotment by the Company of 22,109,875 fully paid ordinary shares in the Company (Tranche 1), pursuant to the Placement.

Information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the Tranche 1 Securities issued under the Placement:

- i) the Shares were issued to professional and sophisticated investors or to other persons to whom disclosure is not required under Chapter 6D of the Corporations Act, who are clients of Blue Ocean Equities;

Indicate who you want to appoint as your Proxy.

If you wish to appoint the Chair of the Meeting as your proxy, mark the box. If you wish to appoint someone other than the Chair of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chair of the Meeting will be your proxy. A proxy need not be a securityholder of the company. Do not write the name of the issuer company or the registered securityholder in the space.

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy you must:

- complete two Proxy Forms. On each Proxy Form state the percentage of your voting rights or the number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- return both forms together in the same envelope.

STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.

Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the company's securities registry.

STEP 3 SIGN THE FORM

The form **must** be signed as follows:

Individual: This form is to be signed by the securityholder.

Joint Holding: where the holding is in more than one name, all the securityholders should sign.

Power of Attorney: to sign under a Power of Attorney, you must have already lodged it with the registry. Alternatively, attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: this form must be signed by a Director jointly with either another Director or a Company Secretary. Where the company has a Sole Director who is also the Sole Company Secretary, this form should be signed by that person. **Please indicate the office held by signing in the appropriate place.**

STEP 4 LODGEMENT
